Senator Kamala Harris

112 Hart Senate Office Bldg.

Washington, D.C. 20510

Dear Senator Harris,

As a member of Christ Lutheran Church in Aptos, California and your constituent, I am deeply concerned about the fate of DACA recipients. I believe we are called to love our neighbor and welcome the stranger. I am heartbroken that more one million immigrant youth are at risk of deportation and I urge Congress to immediately pass a bi-partisan pathway to citizenship that protects Dreamers. No young person should have to live in fear of losing their protected DACA status. Such a loss could result in their deportation and separation from the only country they have ever known. I urge you to voice your support for the passage of the Dream Act without additional provisions that would harm children and families.

Thank you for your continued support of Dreamers. I pray you find the strength to always stand for the safety and protection of the most vulnerable among us.

Sincerely,
